VISION

Tootgarook Primary School's vision is **achieving personal excellence, empowering students in a supportive community.**

MISSION

At Tootgarook we develop personal excellence in education by providing evidence based learning experiences for individuals to strive to achieve their potential in a connected, inclusive community.

OBJECTIVE

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.

VALUES

At Tootgarook Primary School, our **RICH Values – Respect, Integrity, Celebration, and Honesty** – are embedded in all aspects of school life and explicitly taught across year levels.

They guide student behaviour, underpin our wellbeing and engagement approaches, and are reflected in our interactions, decision-making, and daily routines. Through consistent modelling, recognition, and direct instruction, these values help foster a safe, inclusive, and positive school culture where every student can thrive.

Respect

We treat ourselves, others, and our environment with kindness and consideration.

Integrity

We are honest, take responsibility for our actions, and do the right thing—even when no one is watching.

Celebration

We recognise and celebrate personal excellence, effort, improvement, and success—both individual and collective.

Honesty

We speak and act truthfully, building trust in our relationships and community.

These values guide the way we learn, interact, and contribute to our school community.
